

# READ THE WORD

The title 'READ THE WORD' is presented in a large, bold, sans-serif font. The word 'THE' is underlined with two horizontal lines. The letters are filled with a photograph of hands holding an open book, with the text of the book visible through the cutouts of the letters.

**2024 | A Bible Reading Guide | Everyday**

# Read the Bible. Read the Scriptures. Read the Word.

As we begin this year anew, make a commitment, maybe even a resolution to get into the Holy, God-Breathed Word of our Creator.

We will read through the Whole Bible as a church, but you can also choose to read just the Old Testament or maybe only spend your time in the New Testament. However you choose to Read the Word this year, this Guide is a tool to provide a structure and maybe even a little accountability in your Daily Time Alone With our Heavenly Father.

If you seek additional ways to Dig Deeper in your Daily Reading, you will find **5 different ways below** to challenge yourself in your investment in the Scriptures this year.

## **1. Underline/Highlight Key Words or Phrases in the Bible passage.**

Use a pen or highlighter to mark new discoveries from the text. Periodically review your markings to see what God is teaching you.

## **2. Put it into your Own Words.**

Read the passage or verse slowly, then rewrite each phrase or sentence using your own words.

## **3. Ask and then Answer Questions.**

Questions unlock new discoveries and meanings. Ask questions about the passage using these words: who, what, why, when, where, or how. Answer questions by jotting thoughts down.

## **4. Capture the Big Idea.**

God's Word communicates big ideas. Periodically ask, "What's the big idea in this sentence, paragraph, or chapter?"

## **5. Personalize the Meaning.**

When God speaks to us through the Scriptures, we must respond. A helpful habit is personalizing the Bible through application. Ask: How could my life be different today as I respond to what I'm reading?

# Notes

Use this page and the next for any thoughts or reflections you might have this year!

A large rectangular box with a black border, containing 25 horizontal lines for writing. The lines are evenly spaced and extend across the width of the box, providing a template for taking notes.
